

Divyangjan Club Report [2021 - 2022]

- An online meeting was conducted on 22/02/ 2021
 - to discuss the importance of this club
 - for starting a WhatsApp group for easy communication with student beneficiaries
 - to know about the major difficulties facing the students within the campus
- Based on the meeting, we decided to create a WhatsApp group and put motivational videos and other valuable information through this group.
- On 19/8/2021, another online meeting was conducted for discussing various matters regarding the student's online class and other things.
- On the basis of the request from the students, all the announcements regarding the exam should be communicated to children by the coordinators.
- A meeting of the students who are the members of Divyangjan club was held on 30/01/2022 in the multimedia room in the context of resumption of regular classes after covid. They were asked to submit the copy of disability certificate as soon as possible.
- Decided to organize programs on a smaller scale next year as the fear of Covid has reduced to a certain extent
