

**ALUMNI ASSOCIATION
SNM COLLEGE MALIANKARA**

Alumni association is the oldest association in the college, which provides immense contribution for the development of the college and students. The association organize a general body meeting on the second Saturday in the month of December every year. The covid- 19 pandemic situation had an impact on the teaching learning process and students were compelled to switch on to the online mode of learning process. The students faced huge pressure during the covid period to continue their learning process. The association organized a “*Mobile Challenge*” from the alumni members and faculty of the college to facilitate smooth learning atmosphere for the student community. The programme intended to provide online learning resource for economically backward students. The programme received wholehearted appreciation from all spheres of society. The association could provide mobile phones to the deserving students as part of this great venture.
