

S.N.M COLLEGE MALIANKARA

(Affiliated to Mahatma Gandhi University, Kottayam)

1. **Title of the program :** '*Webinar on Wetlands Action for People and Nature*'
2. **Name of the Coordinator/s :** Dr. Sanilkumar MG
3. **Organizing Department/Cell :** Department of Botany
4. **Date :** 05.02.2022
5. **Number of participants:**100
6. **Venue:**Online Mode
7. **Resource Person/s :**Dr. V.P. Sylas, Assistant Professor, School of Environmental Sciences, Mahatma Gandhi University, Kottayam
8. **Objective of the Program :** To make awareness on wetland ecosystems and its services.

9. Detailed description of the event:

The department organized a *Webinar on Wetlands Action for People and Nature* on 5th February, 2022. The resource person was Dr. V.P. Sylas, Assistant Professor, School of Environmental Sciences, Mahatma Gandhi University, Kottayam.

World Wetlands Day is celebrated each year on 2ndFebruary to raise awareness about wetlands. Wetlands are critically important ecosystems which contribute to biodiversity, climate mitigation and adaptation, freshwater availability and more. We must raise regional, national and global awareness about wetlands in order to reverse their rapid loss and encourage actions to conserve and restore them. This year, Wetlands Action for People and Nature is the theme highlighting the importance of actions to ensure the conservation and sustainable use of wetlands for humans and planetary health.

The programme was conducted through online. Our Principal Dr. Jitha T.H., inaugurated the webinar, Dr. MS Simi offered welcome speech. All faculty members have joined with a participation of 100 students. A special reference has been given to Kuttanad wetlands.

10. Outcome of the event/Evaluation by Program Coordinator: Dr. Sylas has emphatically talked about the current world scenario of wetlands, India and Kerala. He has also described the significance of Kuttanad wetland system and its essentials, both flora and fauna. The students were really keen to hear such a kind of vital topic from very experienced resource person.

WORLD WETLAND DAY CELEBRATIONS 2022

World Wetlands Day is celebrated each year on 2 February to raise awareness about wetlands. Wetlands are critically important ecosystems which contribute to biodiversity, climate mitigation and adaptation, freshwater availability and more. We have to raise regional, national and global awareness about wetlands in order to reverse their rapid loss and encourage actions to conserve and restore them. This year, Wetlands Action for People and Nature is the theme highlighting the importance of actions to ensure the conservation and sustainable use of wetlands for humans and planetary health. In connection with this, Research department of Botany is conducting a webinar on 5th February, 2022 at 10am. All are cordially invited.
