**8. Objective of the Program** : To create awareness about Malayalam Language as official language among students.

**9. Detailed description of the event:** Language plays an important role in bringing about change and growth in human civilization. Mother Language recognizes that languages and multilingualism can advance inclusion, and the Sustainable Development Goals' focus on leaving no one behind. Based on this, department of Malayalam encourages and promotes the importance of malayalam as our official language.Based on this department of Malayalam organized a special program for students and 22 students were participated. At the end of the program Gadha V.R Student convenor of malayanma delivered the vote of thanks.

10. Outcome of the event/Evaluation by Program Coordinator: Mother Language recognizes that languages can advance inclusion, and the Sustainable Development Goals' focus on leaving no one behind. By learning about Malayalam Language as an official language, students feel encouraged and motivated. Listening to any seminar or workshop like this helps the student to gain information about their way of work or how things take place. Also, students were asked their doubts at the end of the program and they evaluated the program as very informative and effective.
