

S.N.M COLLEGE MALIANKARA

(Affiliated to Mahatma Gandhi University, Kottayam)

1. **Title of the program :** Webinar on *“How to convert organic waste to manure”*

2. **Name of the Coordinator:** Ms. Sreeja V S

3. **Organizing Department:** Economics

4. **Date :** May 31, 2023

5. **Number of participants:** 56

6. **Venue:** Online (Google meet)

7. **Resource Person :** Mr. Balan K, Retd. Agricultural Officer, Thooneri, Kozhikode

8. **Objective of the Program :** Women empowerment through organic farming techniques

9. **Detailed description of the event:**

As part of the Village adoption program, the Department of Economics organized a webinar on the topic ‘How to convert organic waste to manure’ on 31st May 2023 for Kudumbasree units of Vadakkekara Panchayat in the online platform Google Meet. Sri. Nikhil M B Head of the Department presided over the function. The resource person was Sri. K Balan, Retd. Agricultural officer, Thooneri of Kozhikkode District. He explained different methods of converting biodegradable waste to organic manure. He also demonstrated how to make manure from food waste and plant products. Ten Kudumbasree members, six teachers, and forty students participated in the program. The webinar was followed by a question-answer session. The program started at 4.30 pm and came to an end by 5.30 pm. The program was recorded and uploaded to the department’s you-tube channel. The recorded video link has been uploaded to the WhatsApp group of kudumbasree workers.

10. **Outcome of the event/Evaluation by Program Coordinator:** The webinar was very effective in giving insight to the kudumasree members as well as to the students about organic manuring. Participats could clear their doubts about the application of organic farming practices for different vegetables and plants. They know what to do when insects are found spoiling the leaves or growing vegetables.
