4. **Date :** 10th March 2021
5. **Number of participants:** 69
6. **Venue:** online platform-google meet
7. **Resource Person/s :** Dr. Geethalakshmi, Assistant Professor, College of Vellayani, Kerala Agricultural University.
8. **Objective of the Program :**
 1. To create interest in developing value added products from farm products among Kudumbashree members.
 2. To generate entrepreneurial ideas among students and Kudumbashree members

9. Detailed description of the event:

Department of Economics organised a webinar on the topic '**Fruit and Vegetable Processing**' as part of Village adoption programme on 10th March 2021 for Kudumbasree units of Vadakkekara Panchayat in the online platform-google meet. Dr. Jitha T H Principal of the college presided over the function. The resource person was Dr. Geethalakshmi, Assistant Professor, College of Vellayani, Kerala Agricultural University. She explained effective methods of preserving processed fruits and vegetable products. Fifteen Kudumbasree members, ten teachers, and seventy students participated in the programme. The programme started at 10 am and came to end by 12.45 pm.

The programme was recorded and uploaded in the department youtube channel. The link to the recorded video has been uploaded in the WhatsApp group of kudumbasree workers. A follow-up has been made among the Kudumbasree workers about their intention of starting entrepreneurial activity relating to fruit vegetable processing.

10. Outcome of the event/Evaluation by Program Coordinator

Webinar was organised as part of Village Adoption Programme to Kudumbashree members of Vadakkekara Panchayat. It aims to develop entrepreneurial ideas among them. It enabled the women in the village to practice new methods of fruit and vegetable processing. It helps to create interest in developing value added products from farm products. It create new entrepreneurial ideas among students.
