2. **Name of the Coordinator/s** : Ms. Sreeja V S

3. **Organizing Department/Cell** : Department of Economics

4. **Date** : 11th January 2021,

5. **Number of participants**: 85

6. **Venue**: Online platform (google meet)

7. **Resource Person/s** : Dr. Martin Patrik, Retd. Associate Professor of Maharaja’s College Ernakulam

8. **Objective of the Program** : To create a pragmatic approach to macroeconomic problems.

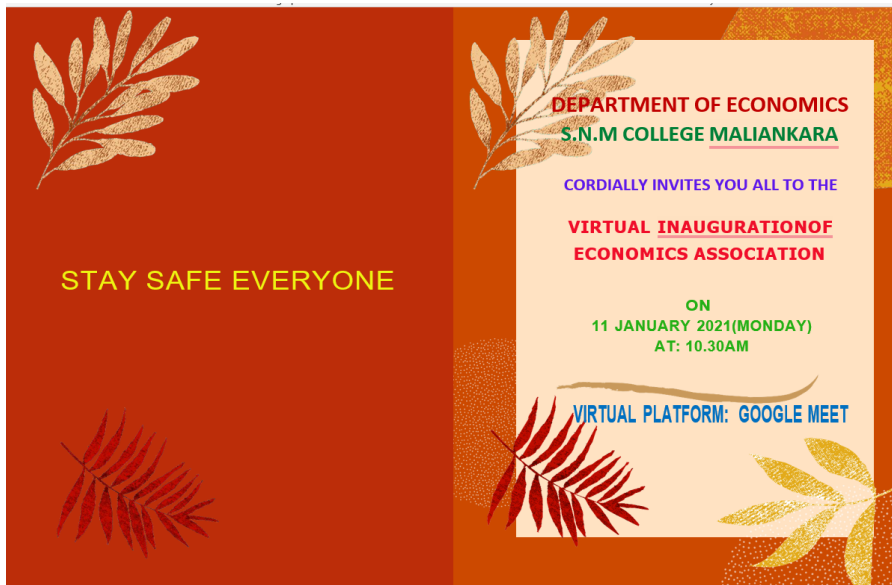

9. **Detailed description of the event**:

Department of Economics conducted its virtual inauguration of Economics association for the academic year 2020-21 on 11th January 2021 on google meet. Dr. Martin Patrik, Retd. Associate Professor of Maharaja’s College Ernakulam was the chief guest of the function.

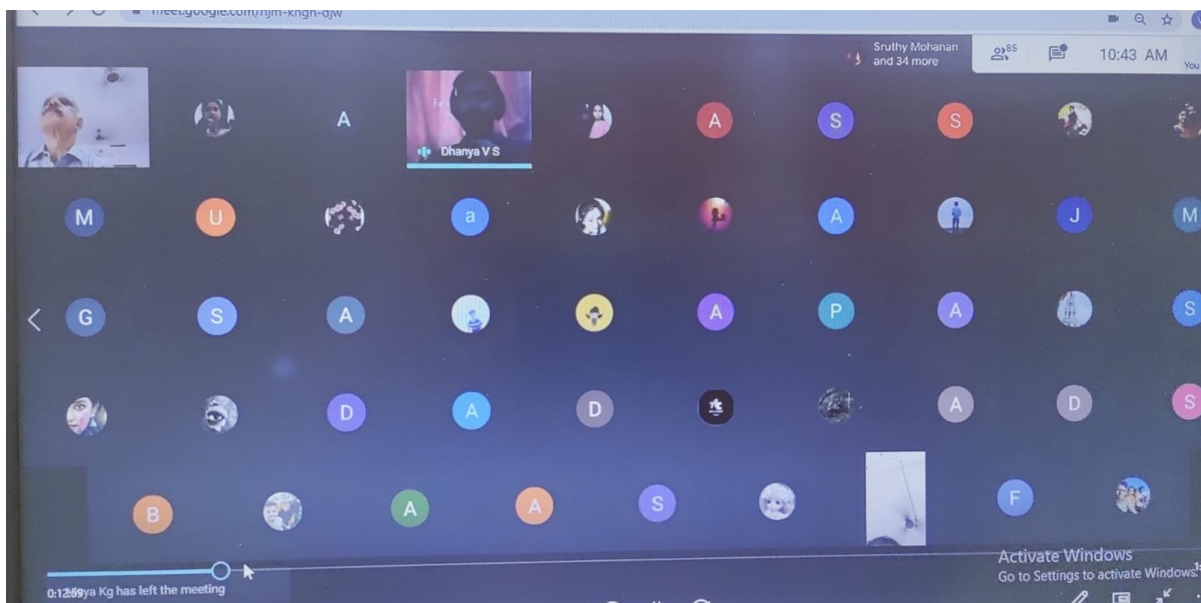

The inaugural function was followed by a webinar on the topic “ Covid challenges and measures for the revival of Indian Economy”. The webinar was followed by a Question answer session. Ms. Sreeja V S, convener of economics association delivered the welcome speech. Mr. Nikhil M B, HOD, gave the presidential address. Eighty five people participated in the webinar. Six teachers and Seventy eight students were present in the session. The programme came to an end with a vote of thanks by student convener Sethuparvathy K S.

10. **Outcome of the event/Evaluation by Program Coordinator**: Webinar helps to create awareness among students as well as faculties regarding effects of covid 19 on various sectors of the economy. It helped to bring an insight over various revival measures adopted by Government and monetary authority to face the challenges of covid in Indian economy. The talk helped to understand how far it contributes to the speed of recovery in the economy. The resource person evaluate the various policies adopted by the central and state Government. It helped to develop a critical thinking ability about the suitability of various macro economic policies in solving the real economic problems among students. Apart from the theories they learned in curricular aspects. This talk enabled the students to see the macroeconomic issues and application of policies in pragmatic level. Participants cleared their queries in the question-answer session.
