9. Detailed description of the event:

The inauguration of the Physics Association 2022 was held at college seminar hall on 28th February 2022 at 10:30 am. The function was inaugurated by the chief guest of the function Dr. Tharanath R, Assistant Professor, Department of Physics, Aquinas college, Edacochi. On the occasion, Dr. Urmila. K.S, Convenor of Physics Association extended a welcome note and Dr. Jitha T H, Princial, SNM College, Maliankara delivered the presidential address. Smt. Vrinda K M, Physics Association Secretary extended vote of thanks. Followed by the inaugural ceremony a talk on “Knowing the Universe through New Windows” was delivered by the chief guest Dr. Tharanath R. The speaker explained how universe came into existence. He also added that by studying the cosmos beyond our own planet, we can understand where we came from, where we are going, and how physics works under conditions which are impossible to recreate on Earth. Nearly 20 students participated in the programme. At the end of the talk, an interactive session was arranged for the students to clear their doubts related to the topic of discussion with the speaker.

10. Outcome of the event/Evaluation by Programme Coordinator: The talk helped students to get an overall idea about universe. They also came to know about the possibilities of higher studies in the field of astrophysics. Participants evaluated the talk as an informative and effective learning experience.
