8. Objective of the Program : To create awareness about Kumaranasan and his works among students to promote the creativity and writing skills of students.

9. event Detailed description of the: Kumaran Asan was a modern Malayali poet, one of the oldest and most important members of the Great Trio of Modern Malayalam poetry. Asan's poetry was much strengthened by the fact that he was able to create conditions of human drama without giving in to adopting an instructive tone. Having transformed Malayalam poetry from the stale, usual cultural environment, Kumaran Asan was able to make his readers experience the honour of bondage, both external and internal. This was also the philosophical strategy of his mentor, Narayana Guru, whose followers became an immediate audience for Asan's poetry.

10. Outcome of the event/Evaluation by Program Coordinator: By learning about new topics and meeting leaders in their field student feels encouraged and motivated. Listening to any prominent personality in any seminar or workshop helps the student to gain information about their way of work or how

things take place. Also, students were asked their doubts at the end of the program and they evaluated the program as very informative and effective.
