8. **Objective of the Program** :

Spreading awareness about environmental conservation and encouraging tree plantation and aimed to engage students in actively contributing to saving the environment.

9. **Detailed description of the event**:

The Department of Mathematics and Statistics organized the event "Plant with Love" as part of the Azadika Amrit Mahotsav celebration. The event effectively spread awareness about environmental conservation, encouraged tree plantation, and witnessed active participation from students and faculty members. The Plant with Love program took place on 9th June 2022, in the Mathematics department, starting at 10:30 am. The event saw the enthusiastic participation of both teachers and students. The event was inaugurated by Sri Ajan K A., the Head of the Department, along with Dr. Linu M N., the Head of Statistics, who planted trees to mark the beginning of the program

The inauguration ceremony was followed by a well-researched speech delivered by Sri Ajan K A. He shed light on the current state of our environment and emphasized the urgency of tree plantation for ecological preservation. Sri Ajan K A. motivated and encouraged all the students to actively participate in tree plantation activities

After the inauguration, the "Buds for Loved Ones" event took place. Students showcased a collage exhibition of photos featuring the plants they had planted at their homes. Additionally, each class contributed a plant, further enhancing the greenery within the campus.

10. **Outcome of the event/Evaluation by Program Coordinator**:

The event effectively raised awareness among students about the importance of environmental conservation and the role of tree plantation in combating environmental issues. Sri Ajan K A.'s speech provided valuable insights into the current environmental challenges. The event witnessed the active involvement of both teachers and students. By planting trees and organizing the collage

exhibition, students displayed their commitment to environmental sustainability and the drive to make a positive impact.

Through the "Buds for Loved Ones" event, students were encouraged to personally contribute to tree plantation efforts. The exhibition of photographs showcased their dedication towards nurturing the plants they had planted, further fostering a sense of ownership and environmental consciousness
