

S.N.M COLLEGE MALIANKARA

(Affiliated to Mahatma Gandhi University, Kottayam)

1. **Title of the program** : Anti-Drug Campaign “a flash mob and a street play ”
2. **Name of the Coordinator/s** : Dr. Neelima C A
3. **Organizing Department/Cell** : Department of Mathematics
4. **Date** : 10th March 2023
5. **Number of participants**: 19
6. **Venue**: Moothakunnam Junction
7. **Resource Person/s** : Nil
8. **Objective of the Program** :

The primary goal of the campaign was to increase awareness among the community members about the dangers and harmful effects of drug abuse.

The campaign aimed to mobilize support from the community, inspiring them to take action against drug use and contribute to a drug-free environment.

By showcasing the negative consequences of drug abuse through the street play, the campaign aimed to inspire individuals to take proactive steps in preventing and combating drug addiction.

9. Detailed description of the event:

On 10th March 2023, the Department of Mathematics initiated an impactful anti-drug campaign as part of their **village adoption program**. Led by 3rd BSc Mathematics students, the campaign aimed to raise awareness about the dangers and harmful effects associated with drug abuse. A flash mob and street play were organized at Moothakunnam Junction to engage the community and encourage them to take a stand against drug use.

The anti-drug campaign consisted of two main activities: a flash mob and a street play. These activities were carefully designed to capture the attention of the public and effectively deliver the message about the dangers of drug abuse.

Flash Mob: The event kick-started with a vibrant and energetic flash mob performed by the 3rd BSc Mathematics students. Clad in colorful attire, the students showcased their dance skills to popular, upbeat music. The flash mob's purpose was to create a lively and positive atmosphere while drawing attention to the upcoming street play.

Street Play: Following the flash mob, an impactful street play was performed by the talented students. The play revolved around a narrative that highlighted the devastating consequences of drug abuse on individuals and their families. Through compelling dialogues and emotional performances, the actors effectively conveyed the importance of staying away from drugs and the need to support those struggling with addiction.

10. Outcome of the event/Evaluation by Program Coordinator:

The anti-drug campaign organized by the Department of Mathematics received an overwhelming response from the community. The lively flash mob successfully captured the attention of passersby, creating curiosity and anticipation for the street play. The street play, with its emotional performances, evoked a strong response from the audience and left a lasting impact on their minds.

The campaign generated significant discussions among the community members, leading to a heightened awareness of the dangers associated with drug abuse. Many individuals expressed their commitment to supporting those struggling with addiction and taking preventive measures within their community.
