8. Objective of the Program : The event helped to raise awareness among the students about the importance of preserving the ozone layer and the environment in general

9. Detailed Description of the Event:

The program was coordinated by the students of the Chemistry department, and Dr. Resmi V.C delivered the welcome speech. Sneha V.J, a first-year M.Sc. Chemistry student, was the Quiz Master for the inter-departmental quiz competition. The quiz comprised three levels, and each level had ten questions. The participants were divided into eleven teams, with each team consisting of two students. The teams were awarded a single mark for each correct answer. The quiz competition witnessed enthusiastic preparation and participation from the students. They showcased their brilliance by rapidly answering the questions. After the three levels of competition, Dinu K.D and Vishnupriya K.P, second-year BSc Mathematics students, were declared the winners of the quiz competition. The second prize went to Vishnu M.A and Anjali Sunil, also second-year BSc Mathematics students, while the third prize was awarded to Manuraj and Hridhya, second-year MSc Physics students. Later, Aiswarya K.P, a second-year MSc Chemistry student, delivered a speech on the importance of World Ozone Day and the need to

protect the ozone layer. Finally, Ms. Farsana, a second-year MSc Chemistry student, gave the vote of thanks, expressing gratitude to all the participants and teachers from the Chemistry department

10. Outcome of the Event/Evaluation by Program Coordinator: The event helped to raise awareness among the students about the importance of preserving the ozone layer and the environment in general.
