2. Helps them learn effective methods for speaking and writing in a persuasive and appropriate manner.

8. Detailed description of the event:

As part of 75th Independence Day Celebrations – “Azadi Ka Amrit Mahotsav”, a power point competition on the topic “Overview of James Webb Space Telescope” was organized on 10th August 2022 at college seminar hall at 2:00 pm for final year B.Sc Physics students. The programme was conducted for Kattiparambil Raghavan Vidyasagar Endowment Award. Ms. Asha A, Assistant Professor, Department of Botany and Ms. Arya A, Assistant Professor, Department of English was the invited judges of the competition. The first prize winner was Smt. Vrinda K M of III B.Sc. Nearly 15 students participated in the programme.

9. Outcome of the event/Evaluation by Programme Coordinator: The students become more inquisitive, research independent and learn to work with others. It enabled them to create a connection with the audience who is listening to them through voice modulation. They become confident enough to express their thoughts and ideas and improved their public speaking skills.
