8. Detailed description of the event:

In view of turning the isolated situation due to COVID 19 pandemic into a source of creativity, Department of Physics has conducted an online photography competition through SNMC virtual platform. The theme of the competition was “Selfie with your creativity”. The contest was open to all students of the college from 19th to 25th September 2020. There was an overwhelming response from the part of students.

9. Outcome of the event/Evaluation by programme Coordinator: The activity enabled the students to improve their photography skills. It helped them to communicate their ideas and allowed them to express themselves. They get to choose what part of the belonging they want to capture. It was really a good experience to the students.

DEPARTMENT OF PHYSICS
ONLINE PHOTOGRAPHY COMPETITION

In view of turning our present situation of isolation due to COVID 19 pandemic into a source of creativity, we are organising an online photography competition on the theme "Selfie with your creativity". The contest is open to all students from 19th to 25th September 2020.

Guidelines:

- All interested students can participate in the competition. There is no restriction in the number of participants from each department.
- Each participant can present any number of their creative works in a single photograph.
- All entries should strictly adhere to the competition theme. i.e., it should be a selfie with your creative work.
- There is no separate mark for caption and significance of creative work.
- The mobile photographs should be original and of good clarity taken with mobile phone.
- Editing within the frame is prohibited.
- The face of the participant and the creative work presented should be clear in the photograph.
- Photographs are judged based on their beauty, naturality and clarity.
- The photographs should be uploaded to the specified slot at our virtual campus.
