

S.N.M COLLEGE MALIANKARA

(Affiliated to Mahatma Gandhi University, Kottayam)

1.Name of the programme : World Environment Day Celebration-2017 & Seminar On Biodiversity Conservation

2.Name of the Coordinator : Ms.Minu M

3.Organising Department : Zoology in association with Bhoomithrasena club and department of Physics

4.Date : 14-6-2017

5.Resource Person : Dr. S Bijoy Nandan, Department of Marine Biology, Microbiology and Biochemistry, CUSAT

6.Number of Participants : 148

7.Venue : Seminar Hall SNMC Maliankara

8.Objective of the programme : Connecting people to nature

9.Detailed description of the event : World Environment Day – This is observed on 5 June every year across the globe. World Environment Day was inaugurated in 1972 following the United Nations Conference on the Human Environment in Stockholm, Sweden on 5-16 June – the first international conference on environmental issues. Since its first celebration on 5 June 1974, millions of people across the world have taken part in thousands of events to raise awareness and generate political momentum around growing concerns such as the depletion of the ozone layer, toxic chemicals, desertification and global warming. This year's theme (Connecting people to nature-in the city and on the land, from the poles to the equator) invites you to think about how we are part of nature and how intimately we depend on it. It challenges us to find fun and exciting ways to experience and cherish this vital relationship. In connection with this, Bhoomitrasena club, department of Zoology, Department of Physics of Sree Narayana Mangalam College with the support of Kerala State Council for Science Technology and Environment (KSCSTE), Department of Science and Technology, Government of Kerala

organized a one day seminar on 14th June 2017. World Environment day celebration was conducted in the college to generate awareness among the students about the significance of a healthy environment and to solve various environmental issues by implementing some actions to protect nature and earth through seminar, essay competitions, drawing competitions. The seminar session equipped people with the knowledge they need to improve conservation of marine biodiversity in the world's most diverse and threatened eco-regions.

Inaugural session and keynote address

The morning session consisted of the inaugural function and keynote address. The inaugural function began in the seminar hall at 10.15 a.m. The welcome address was delivered by Dr. Neena P. Function was presided over by the college principal Dr. Cibi Komalan. The function was inaugurated by Prof. Dr. S Bijoy Nandan, Department of Marine Biology, Microbiology and Biochemistry, CUSAT. Felicitations were given by Dr. Jitha T. H. After the formal inauguration session, the keynote address on the topic “marine biodiversity conservation” was delivered. The talk provided insights into the need of protection of marine ecosystem. Marine ecosystems are one of the most important factors that control the global climate. The biogeochemical cycling of gases is greatly controlled by the living biota existing on earth of which the marine realm is extremely important.

Theme Based Intercollegiate Essay Writing Competition and Painting Competition

Each World Environment Day is organized around a theme that focuses attention on a particularly pressing environmental concern. The theme for 2017, ‘Connecting People to Nature’, urges us to get outdoors and into nature, to appreciate its beauty and to think about how we are part of nature and how intimately we depend on it. It challenges us to find fun and exciting ways to experience and cherish this vital relationship. To focus on this, intercollegiate quiz competition (English/ Malayalam) and painting competition were held during the afternoon session. About 20 students from various colleges participated in the essay competition and 15 students for painting competition. St. Xavier’s College bagged the first prize for English Essay Writing and for Malayalam, SNM College Maliankara. Prizes were distributed by Dr. Jeeju P, Associate Professor, Department of Physics.

10.Outcome of the event/Evaluation by Programme Coordinator : The programme was a grand success. The talk provided insights into the need of protection of marine ecosystem.

11.BROCHURE

<p style="text-align: center;">Programme Schedule</p> <p>10.00am : Registration 10.15am : Inaugural Session Welcome Speech : Dr. Neena P. (Programme Convener) Presidential Address : Dr. Cibi Komalan (Principal) Inaugural Address : Dr. S. Bijoy Nandan Professor Department of Marine Biology, Microbiology, and Biochemistry, CUSAT</p> <p>Felicitation : Dr. Jitha T.H (HoD, Dept. of Malayalam) Vote of Thanks : Ms. Minu M. (Programme Convener)</p> <p>11.00 -12.30pm : <i>Talk on</i> 'Marine Bio-diversity Conservation' by - Dr. S. Bijoy Nandan</p> <p>Lunch break 1.00 - 2.00pm : Painting Competition 2.00 - 3.00pm : Essay writing 3.00pm : Valedictory Function.</p> 	<p style="text-align: center;">Organizing committee</p> <p>Chief patron : Prof. V.R.
