

# **S.N.M COLLEGE MALIANKARA**

**(Affiliated to Mahatma Gandhi University, Kottayam)**

**1. Title of the program :** Workshop on Soap Making

**2. Name of the Coordinator/s :** Mrs. Preena N

**3. Organizing Department/Cell :** Chemistry

**4. Date :** 17<sup>th</sup> August 2021

**5. Number of participants:**

**6. Venue:** Department of Chemistry

**7. Resource Person/s :**

**8. Objective of the Program:** The soap production process aims to achieve the most natural product possible with valuable properties, and is based upon the cold method. This consists of mixing oils at a lower temperature. It is a simple, yet time-consuming process. Natural soap production is based on vegetable or animal fats.

**9. Detailed description of the event:**

As a part of SNM College adopted village Induction program Dept. of chemistry organised a workshop on Soap making to the Kudumbasree unit in ward 1 and 2. The aim was to give training on how to make Soap using Natural coconut oil, water, caustic soda, colours and fragrances.

**10. Outcome of the event/Evaluation by Program Coordinator:**

The Kudumbasree Unit members actively participated in the workshop with the teachers. Soap making was a successful event and soaps were all proved to be great in their quality and use.
