- 4.Date** : 16-8-2021
- 5.Resource Person** : Dr. Manishankar Babu,, Assistant Professor Dept. of Botany,
University College, Thiruvananthapuram
- 6.Number of Participants** : 80
- 7.Venue** : Online
- 8.Objective of the programme** : To spread awareness about the depletion of the Ozone layer
- 9.Detailed description of the event** :The theme for World Ozone Day this year is “Montreal Protocol – keeping us, our food and vaccines cool”. The theme seeks to highlight the importance of the protocol in combating climate change and ensure awareness of its long-term gains. World Ozone Day is observed on September 16, every year. It is celebrated to spread awareness among people about the depletion of the Ozone Layer and search for possible solutions to preserve it. On this day, people from all over the world are expected to join the Montreal protocol to join the talks and seminars. September 16 was designated by the United Nations General Assembly as World Ozone Day. United Nations defines ozone layer as 'a fragile shield of gas that protects the Earth from the harmful portion of the rays of the sun, thus helping preserve life on the planet.

On behalf of the ozone Day 2021 TheBhoomithrasena Club and Dept. Of Zoology conducted a webinar was conducted on the topic Ozone –Earth’s Life Line. The welcome speech was given by Dr. Rekha Parthasarathy Assistant Professor & Bhoomithrasena Club co-coordinator Dept. of Zoology Snn College Maliankara. The College Manager Shri. M.R Bose inaugurated the session , presidential address was given by Dr. Jitha T.H Principal of the College, the speaker was introduced by Ms. Minu .M Hod of the dept. of Zoology, felicitation was given by Dr. Sreejamol P.R Assistant Prof. Dept of Mathematics. The speaker was Dr. Manishankar Babu,, Assistant Professor Dept. of Botany, University College, Thiruvananthapuram on 16th September at 10.30 am. He spoke about ozone depletion and the ozone hole and other negative effects and also on the consequences of ozone layer depletion , greenhouse effect global warming and climatic changes.Nearly 80 participants were there in the programme. The programme ended with a vote of thanks, given by the students.

10.Outcome of the event/Evaluation by Programme Coordinator : The webinar helped to spread awareness among the audience about the significance of ozone layer to the environment.
