7. **Objective of the programme :**

1. To develop the art of writing among students in a persuasive and appropriate manner.

8. Detailed description of the event:

Department of Physics has conducted an online writing skill development programme for all interested students of the college on 26th August 2020. Students were given a relevant topic and were asked to prepare a brief write up on the topic. Students submitted their work via online platform. The submitted works were scrutinized by teachers and they suggested different ways on how the student can improve his/her writing skills.

9. Outcome of the event/Evaluation by programme Coordinator: The activity enabled the students to improve their writing skills. Students who were weak in writing good english have shown reasonable improvement. Skills like research, planning and outlining, editing, revising, spelling and grammar and organization are critical components of the writing process. The programme gave prime importance to all these components and hence the students had a very good learning experience.
