- 4. Date :** 22/03/2021
- 5. Number of participants:** 25
- 6. Venue:** SNM COLLEGE MALIANKARA
- 7. Resource Person/s :** NIL
- 8. Objective of the Program :** To raise awareness about the importance of freshwater and to take initiative to maintain the resources for fresh drinking water in the society.

## **9. Detailed description of the event: N**

NSS volunteers observed world water day. They decided to prepare and distribute pure drinking water for those arriving at college on this day. NSS Volunteers prepared SAMBARAM and distributed to the students, teachers and to the non-teaching staff in the college. We all know that to give a drop of water to a thirsty person is a praiseworthy work with least effort. NSS volunteers did this activity with their whole hearted mind. NSS program officers Dr. VC Resmi gave all guidance to the student vlunteers for organizing such a work within the college campus. College management and staff extended moral support to the volunteers for organizing such a programme by the volunteers around the college premises. Volunteer secretaries Shahir Mohamed T M and Lidhiya Krishna MD. gave leadership for the smooth running of this programme.

## **10. Outcome of the event/Evaluation by Program Coordinator:**

Feeling of drinking pure water reached directly in the mind of student volunteers. They took the message in the mind that they should not do anything that will lead to the wastage of water. Also they should not divert waste from the household to canals or ponds or rivers in their area. Different efforts to conserve water should be taken at institutions as well as in the households. Rain water harvesting has to be promoted in different manner. Natural water sources are to be preserved.
