**5.Number of Participants: 80**

**6.Venue : Govt LP School Pallipuram, HMYHSS LP School Kottuvallikad**

**7.Resource Person: III BA English Students**

**8.Objective of the Programme: To provide energy conservation awareness among LP students by providing simple steps for energy conservation.**

The village adoption programme for the academic year 2022- 23 was initiated with the objective of boosting the communication skills, creating awareness on energy conservation measures and environmental conservation. Our target was the development of the students of rural area ( ward 1) through improved output. As part of Energy Conservation, students had taken an awareness class for school students. The students actively participated in the session. It is the decision and practice of using less energy. Small tips and hints are given to them in order to control the wastage of energy. They participated in the quiz activity given to them. In addition to this, an interactive session was conducted to clarify the doubts of schools students.

### **9.Outcome of the Event**

The Village Adoption Programme helps in promoting activities beyond the college premises, which inculcates the values of compassion among our students for the society in which we live in and in turn carves out responsible citizens for tomorrow. Our students introduced some simple steps of energy conservation through video sessions which could be practiced from childhood. The students of LP Schools actively interacted with our students.
