9. Detailed description of the event:

The inauguration of the Gender Equality Forum and an inaugural Seminar on 'Queering Identities' was organized on July 5th, 2022, and inaugurated by Adam Harry, India's First Transman Pilot. The program was presided by Dr. Jitha T H, Principal of SNM College. The GEF Coordinator Ms. Saipriya Sudarsan welcomed the gathering. Ms. Binsha B felicitated the function. The students from various departments participated in this seminar.

10. Evaluation by Program Coordinator: The Seminar was very effective in giving insight to the students about different sexual identities especially the queer community. Nowadays the queer community is gaining so much importance among the public. But ignorance and violence against the queer community still exists. So by giving this seminar most of the students are able to understand the queer community and they can also identify their sexual orientation.
