## NEWSLETTER ENVIRONMENT DAY CELEBRATION - 2022

### "ONLY ONE EARTH" FOR NATURE, BY NATURE, WITH NATURE

World Environment Day is celebrated on the 5th of June every year. It is the only global day for environmental awareness. It was established by the United Nations Environment Programme (UNEP) in 1972 and has been celebrated ever since. The main purpose of celebrating this day is to spread awareness about the environment.

In 1972, the UN General Assembly designated 5 June as World Environment Day. It is celebrated under the slogan "Only One Earth". The theme for this year is "Sustainable Production and Consumption".

The Prime Minister of India, Narendra Modi, has also celebrated this day. He has been instrumental in the development of India's green economy. He has also been instrumental in the development of India's green economy.
