**1. Title of the program : SANITIZER MAKING**

**2. Name of the Coordinator:** Dr.Resmi V.C

**3. Organizing Department/Cell :** Chemistry Department

**4. Date :** 20/2/2020

**5. Number of participants:** 30

**6. Venue:** Chemistry lab

**7. Resource Person/s :** NIL

**8. Objective of the Program :** The event helped to enrich student's knowledge about the sanitizer making in connection with the epidemic corona virus.

**9. Detailed Description of the Event:** With news of the novel corona virus (COVID -19) hitting the world we have thought of the idea of making alcohol based sanitizers. As it is said that they would prevent the spread of the viruses. We were successful in making them. Also we could make enough quantity of them in our lab and could supply it to the campus and surroundings.

**10. Outcome of the Event/Evaluation by Program Coordinator:** The event helped to raise awareness among the students about the sanitizer making and found to be very useful at the time of covid.
