- 9. Detailed description of the event:**

The wws team comprising 30 students (I &II year Scholars) and 15 Internal mentors and wws Co-ordinator attended the function. The topic was on “Developing Scientific temper: Essential aspect of research in contemporary society & Goal setting.” He explained about the Higher education opportunities in foreign Universities. He motivated the students to concentrate on their own subject and do hard work. Through this they can achieve their goals easily.

Outcome of the event/Evaluation by Program Coordinator: The talk was very effective with many activities and presentation skills among students. He shared his experiences when he was in Italy for his Ph.D. He strongly advocated chasing the dreams through focused hard work, which would ultimately lead to the road to success. He encouraged students to study abroad.
