- 7. Resource Person:** Mr. Shafeeq A, Assistant Engineer, KSEB, Palakkad.

8. Objective of the programme :

1. To inculcate energy conservation habits in layman.
2. To create an awareness about new energy technologies.

9. Detailed description of the event:

As part of village adoption program, Department of Physics and Energy Conservation Club-Student Chapter, conducted an online seminar based on KSEB: Soura Project on 1st September 2021. Mr. Shafeeq A, Assistant Engineer, KSEB, Palakkad was the resource person. He talked about KSEB Soura project, its perspectives and challenges. He discussed that in this subsidy initiative, there were three hybrid models introduced by KSEB which is based on the average electricity consumption of the consumers and it aims to give financial support to the weaker section thereby making them green energy partner of the state. Nearly 35 participants including students and members from Ward I and Ward II of the adopted village participated in the webinar.

10. Outcome of the event/Evaluation by programme Coordinator: The talk was very effective in creating awareness on energy conservation among students. He introduced soura subsidy scheme initiated by KSEB for domestic consumers. As part of this scheme, the consumers can install solar panels over the roof of their homes. All these information shared by the speaker was informative for the participants.
