

S.N.M COLLEGE MALIANKARA

(Affiliated to Mahatma Gandhi University, Kottayam)

1. Title of the program : VILLAGE ADOPTION PROGRAMME

2. Name of the Coordinator: Dr.Resmi V.C

3. Organizing Department/Cell : Chemistry Department

4. Date : 23/12/2020

5. Number of participants: 30

6. Venue: ward no. 2 of Vadakekkara Panchayath

7. Resource Person/s : NIL

8. Objective of the Program : To check purity in the drinking water and adulteration in fishes which are available at native places.

9. Detailed Description of the Event: As a part of SNM college adopted village project our teachers and students visited the ward no. 2 of Vadakekkara Panchayath , and collected samples of drinking water from different sources . The aim was to check for their purity. Also the people of the ward was taught to identify the adulteration in the things that are a part of their daily lives . Many methods were introduced before them for the same . People were made to notice the miserable condition of the sources from which they use to collect the drinking water before. the samples of water was collected from those sources to detect the presence of e-coli bacteria , ph value , hardness of water and the presence of poisonous substances . The team also introduced how to remove formalin and ammonia from fishes which indeed causes cancer in human bodies .

10. Outcome of the Event/Evaluation by Program Coordinator: The event helped to give awareness about the adulteration in the drinking water and fishes to common man.
