The programme was inaugurated by Dr. Jitha T H, Principal of the college. Ms. Saipriya Sudarsan, Gender equality Forum convenor welcomed the gathering. International Women's Day celebration successfully achieved its objectives of promoting gender equality, celebrating women's achievements, empowering and inspiring participants, and advocating for women's rights. The event created a supportive and inclusive environment, encouraging dialogue, and personal growth. We believe that the impact of this celebration will extend beyond the event itself, contributing to ongoing efforts to achieve gender equality and empower women in our college.

**10. Evaluation by Program Coordinator:** The Tableau competition on gender equity in the modern world was a resounding success, largely due to the participants ideas, skills, knowledge, and commitment. They created an inclusive and stimulating environment, and the Gender equality forum members encouraged the participants to push their boundaries. The competition served as a platform to raise awareness about gender equity issues, and inspire participants to become advocates for change.
