9. Detailed description of the event:

Career Guidance Cell of SNM College Maliankara, in association with TIME Institute, North Paravoor, organized a workshop on “Easy Approach to Questions Seem Difficult” for the students applying for the exams of UPSC, SSC, KPSC, CAT, C MAT and KMAT . Around 120 students from different departments of the college attended the session. Trainers namely Sri. Basil and Shri Peter introduced the general pattern of questions being followed in the competitive tests. They divided the total mark of such tests among different segments like English, Numerical skills, General Knowledge, computer skills, Science, History, etc. Students are advised to devote more time of their preparation on those areas from where major percentage of questions are normally asked and scores are to be realized.

10. Outcome of the event/Evaluation by Program Coordinator:

Participated students got awareness on different tricks or methods they can use for solving numerical part of different tests. Time management, continued efforts on the right patch and necessary training are important for securing good score in the competitive examinations and participants did necessary interactions with the trainers for their doubt clarification and future association with the training institute.
