- 9. Detailed description of the event:**

Bhoomithrasena club of Sree Narayana Mangalam College with the support of Directorate of Environment & Climate change ,Govt of Kerala had organized a one day seminar on 25.3.2019. The Sun the Earth and the Weather was theme for the year 2019. The programs were coordinated to educate community about the significance of the solar system. The Sun delivers the energy that powers all life on Earth. It drives the weather, ocean currents and the hydrological cycle.It shapes our mood and our daily activities. It is the inspiration for music, photography and art.The morning session started with the inaugural function and theme based seminar session. The inaugural function began in the college seminar hall at 10.30 a.m. The welcome address was delivered by Dr.Neena.P (FIC, BMC) Function was presided over by the college principal Prof T.S.Rajeev. The function was inaugurated by Dr. V Kripa, Fishery Environment Divison, Central Marine Fisheries Reasearch Institute (CMFRI), Kochi. A seminar was conducted on the topic “The sun the Earth and the Weather”. The two sessions were delivered by Dr. V Kripa. The talk was focused on Sun which delivers the energy that powers all life on Earth. It drives the weather, ocean currents and hydrological cycle. It shapes our moods and daily activities. It is the inspiration for music, photography and art.

10. Outcome of the event/Evaluation by programme Coordinator The talk had brought out the needs to protect the atmosphere. The resource person had given an insight about the present scenario about the atmosphere in India and all over the world.
