9. Detailed description of the event:

Career Guidance cell organized a webinar for the final year student under the title "Skillsets and Career Opportunities in post Covid 19 era". Webinar was organized in association with AVODHA institution and the Resource Person was Shri. S Aravind, BDM Avodha. Programme was attended by the fifth semester students. These students in the next final semester were having project report preparation work. After this project and examination these students had to try for a job. The webinar was planned in such a vision that if the students are doing project in in an area/topic which is going to be the area where they may build career, then project become more worthwhile. So the students can choose project topics or areas which may help you in your future career. Career guidance cell organized this webinar session to familiarize the students with some courses which will give internship opportunities. This internship was in such areas where students are interested to do project work or planning to build your career. 68 students attended / participated.

10. Outcome of the event/Evaluation by Program Coordinator:

Students got awareness about online job prospects and internship during the post covid time when the job seekers and already employed people are being instructed to work from home
