## Report of the Activities of Staff Club

With the aim of helping the needy people of our institution, Staff welfare Club in our college during this academic year decided to donate the contributions to the cleaning and security staffs of the institution. In the pandemic situation of Covid-19, the club decided to provide an “Onam Kit” to the above mentioned staffs .On 2020 August 27, the club donated the Onam kit to the cleaning and the security staffs. The aims and objectives of the club, and activities to be done were announced in the Staff club meeting. All staff members were asked to contribute a handful of rice to this very needy situation of covid-19.

So far three meetings were held in online platform and charted out various programmes to be organized during this academic year. We have decided to donate the contributions to the organizations who were in the field of covid-19.
