| Auditors: | : Dr. M G Sanilkumar ,Dr. Ranjith P R |

In this year 8- Executive Committee meetings are held, the PTA has been instrumental in spearheading numerous initiatives aimed at improving various aspects of college life.

Key Initiatives and Activities:

- **Congratulatory Program** for Mr. C. M. Sreejith: The PTA organized a special program to congratulate Mr. C. M. Sreejith, for his achievement as the Controller of Examinations at M.G. University.
- **Auditorium Maintenance:** The PTA has taken charge of maintaining our college auditorium, ensuring that both the lighting and sound systems are in optimal working condition.
- **Classroom Comfort:** They have also focused on the repair and maintenance of lighting and fans in classrooms, creating a conducive learning environment for students.
- **Financial Assistance for Freshers' Day:** The PTA provides financial assistance to each department to facilitate their Freshers' Day celebrations, contributing to a warm welcome for new students.

- **Library Enhancement:** The PTA has enriched our academic resources by purchasing reference books for the college library, benefiting both students and faculty.
- **Campus Hygiene:** They've undertaken the responsibility of grass cutting within the college premises, ensuring cleanliness and hygiene.
- **Social Welfare Initiatives:** The PTA has initiated numerous social welfare programs, with a special focus on economically disadvantaged students, offering a helping hand to support their studies.
- **Academic Support:** Financial assistance is extended for academic seminars, workshops, the publication of internal journals, internal exams, counseling, career guidance, and initiatives promoting gender equality.
- **Environmental Conservation:** The PTA actively participates in environmental initiatives such as Bhoomithrasena and supports the Readers' Forum.
- **College Magazine:** They contribute to the publication of the college magazine, promoting creativity and student engagement.
- **Infrastructure Improvement:** The PTA is committed to improving classroom facilities by providing green boards and servicing physics lab equipment. They also ensure the proper functioning of college campus cameras for security.
- **COVID-19 Response:** In response to the pandemic, the PTA has provided sanitization to classrooms and distributed sanitizers to offices, departments, teachers, and students, prioritizing safety.
- **Online Teaching:** During the COVID-19 pandemic, the PTA made it easier for teachers to teach online. The PTA has taken proactive steps to equip each department with Wi-Fi technology. This vital infrastructure improvement not only enables students and faculty to access online resources but also ensures a stable and efficient virtual learning environment. They also paid for a special online learning tool called Moodle every month.
- **"Souhridasandhwanam" initiative :** The PTA extends financial assistance of Rs. 10,000 to students in the Malayalam department through the "Souhridasandhwanam
