**8. Objective of the Program :** Observance of World Red Cross Day is very important during the covid time in order to salute the covid warriors and make the students aware about the day.

**9. Detailed description of the event:**

The Red Cross society observed the importance of World Red Cross Day by making an awareness video on the importance of the day. The programme was anchored and monitored by Ms. Saipriya Sudarsan, Red Cross Coordinator, Assistant Professor, Department of Economics, SNM College, Maliankara. Covid-19 brings lots of stress, depression and anxiety among all the students and teachers. These awareness videos will help them to cope up with the situation and be resilient and motivated.

**10. Evaluation by Program Coordinator:**

The red cross volunteers lit the candle and passed it to give tribute to all the doctors and the medical persons. The theme this year is 'Together we are #unstoppable!' . The aim of this theme is to celebrate the determination and resilience of RCRC staff and volunteers despite COVID-19 and to convey a message of determination and unity in the world. The World Red Cross Day is marked on May 8 every year to acknowledge the beliefs of the Red Crescent Movement and the International Red Cross. The day also signifies appreciation for the volunteers who are always ready to help the needy. As part of the World Red Cross Day Celebrations, May 8, 2021 the volunteers of SNMC Red Cross Society organized various competitions.
