2. **Name of the Coordinator/s** : Sri. Sunil kumar
3. **Organizing Department/Cell** : NSS
4. **Date** :4/10/2019
5. **Number of participants**: 70
6. **Venue**: SNM College Maliankara
7. **Resource Person/s** : Nil
8. **Objective of the Program** : To encourage and facilitate blood donation for a noble cause.
9. Detailed description of the event: SNM College Maliankara NSS unit no 47 organized an event on 4th December .Before the blood donation process began, each donor underwent a comprehensive health assessment. This included the measurement of blood pressure, pulse rate, and hemoglobin levels. These assessments were crucial to ensure that donors were in a healthy state for blood donation, and their safety was of utmost priority. Each donor's blood pressure, pulse rate, and hemoglobin levels were checked to ensure they are in a healthy state for donation.After the blood donation camp concludes, the collected blood units are carefully transported to a blood bank for further processing and testing. The donated blood undergoes rigorous screening for infectious diseases such as HIV, hepatitis B and C, syphilis, and others to ensure its safety for transfusion purposes.students donate blood : After the blood donation camp concludes, the collected blood units are carefully transported to a blood bank for further processing and testing.
10. **Outcome of the event/Evaluation by Program Coordinator**: The outcomes of a blood donation camp can include an increased blood supply, lives saved, community engagement, awareness and education, donor retention and recruitment, enhanced healthcare services, and improved public health.
