

# S.N.M COLLEGE MALIANKARA

(Affiliated to Mahatma Gandhi University, Kottayam)

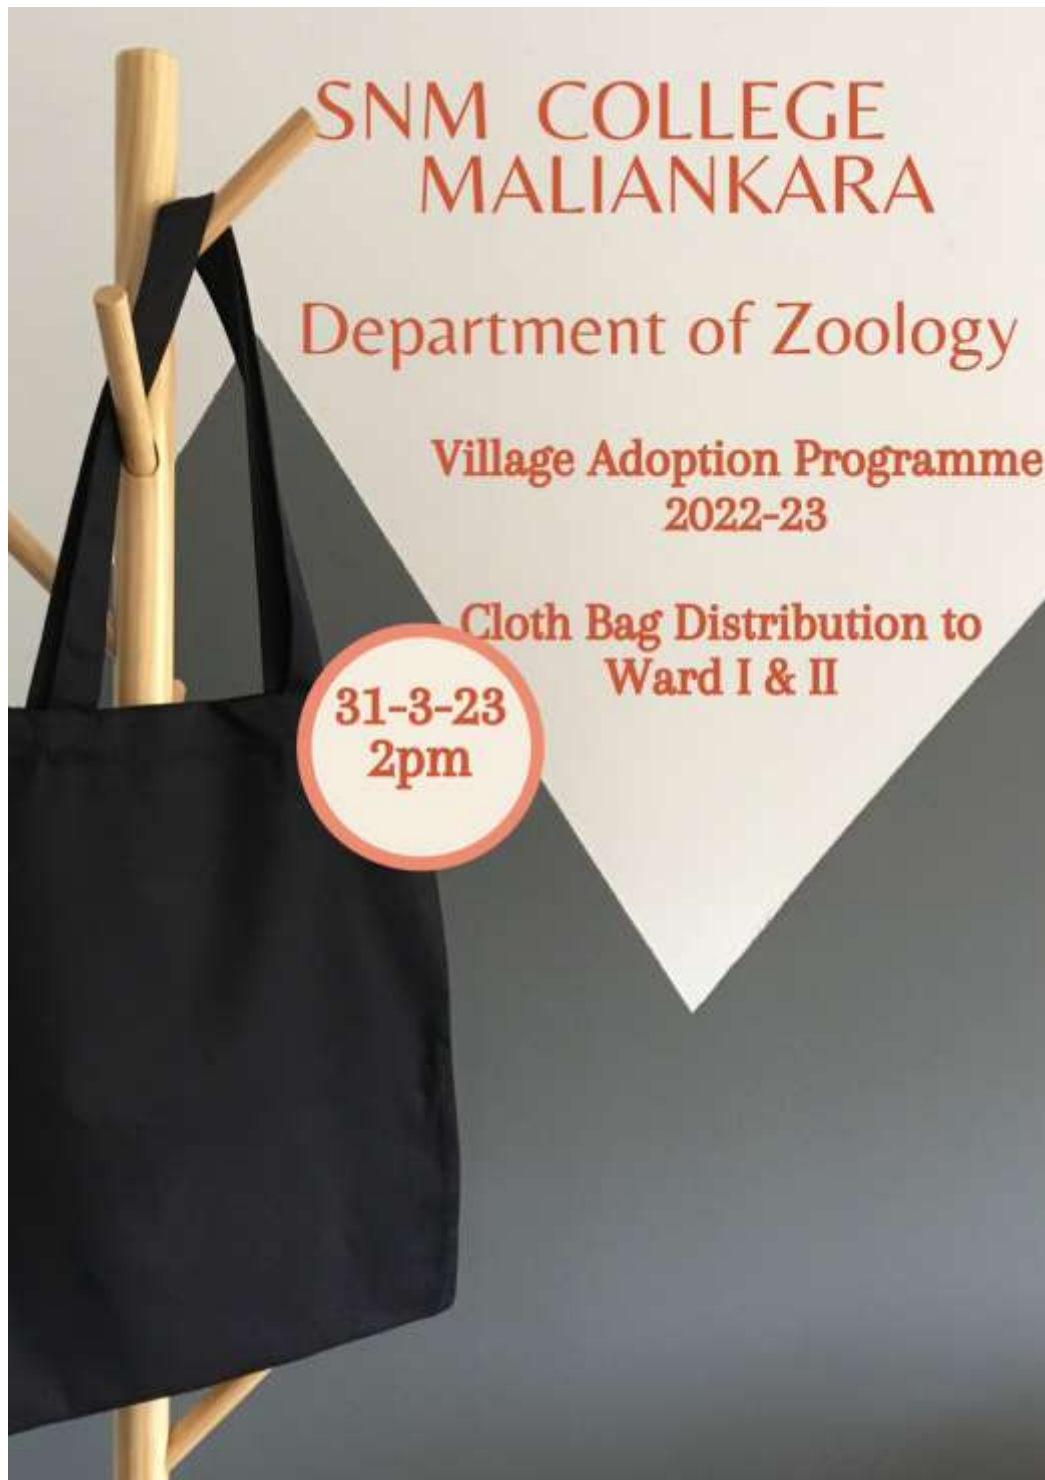

- 1. Name of the programme** : Village Adoption Programme 2023- Cloth Bag distribution to vadakkekkara Pachayath Ward 1 &2
- 2. Name of the Coordinator** : Ms.Archana K S
- 3. Organising Department** : Zoology
- 4. Date** : 31 -03-2023
- 5. Resource Person** : Nil
- 6. Number of Participants** : 20
- 7.Venue** : SNM College Maliankara
- 8. Objective of the programme** : To create a positive impact on both the environment and the community by reducing plastic waste and promoting sustainable choices like cloth bags.
- 9. Detailed report of the event:** The distribution of cloth bags aimed to address the pressing issue of plastic pollution while promoting sustainable practices within the community. On March 31, 2023, the Department of Zoology at SNM College Maliankara organized an event as part of the Village Adoption Programme for 2022-2023. During this event, cloth bags were distributed to the residents of Ward I and Ward II in Vadakkekkara Panchayath, Ernakulam Dist. Dr. Jitha T.H, the Principal of SNMC Maliankara, handed over the bags to Shamol, respected member of Ward I. The event also saw active participation from students, Smt. Archana K S (Coordinator of the Village Adoption Program), and faculty members from the Zoology Department. This initiative aimed to combat plastic pollution, foster stronger community bonds, ultimately working towards creating a more environmentally conscious village.

**10. Outcome of the event/Evaluation by Programme Coordinator:** The possible outcomes of this village adoption programme, particularly in the context of distributing cloth bags to the adopted ward, can have various positive effects on the community and on the environment. Some potential outcomes include:

1. **Reduce Plastic Pollution:** With the use of cloth bags, there can be a significant reduction in the consumption of single-use plastic bags, leading to less plastic pollution in the village. This, in turn, can protect the ecosystems.
2. **Environmental Awareness:** The program can raise awareness among community members about the environmental impact of plastic pollution.
3. **Positive Role Modeling:** The program can set an example for responsible and sustainable practices, inspiring other individuals and organizations to take similar environmentally friendly actions.
4. **Long-term Behavior Change:** The distribution of cloth bags can teach sustainable habits in community members, encouraging them to use reusable alternatives and reduce their dependence on single-use plastics.

### 13.List of Participants

Sl.No.	Name	Class/ Designation
1	Dr.Jitha T H	Principal
2	Smt. Shamol	Ward Member
3	Smt.Archana K S	Asst.Professor
4	Dr.Rekha parthasarathy	Asst.Professor
5	Smt.Liji C B	Asst.Professor
6	Smt.Sibi M B	Asst.Professor
7	Smt.Soumya C B	Asst.Professor
8	Smt.Jishma M S	Asst.Professor
9	Smt.Jasmin C S	Asst.Professor
10	Ms.Arathy Jess	Asst.Professor
11	Nimay J	III DC Zoology
12	Anamika E A	III DC Zoology
13	Shon Raju	III DC Zoology
14	Aiswarya K S	III DC Zoology
15	Aswani P S	II DC Zoology
16	Anannya T A	II DC Zoology
17	Ananya N S	II DC Zoology
18	Govardhanan K G	II DC Zoology
19	Adithya Parvathy Anil	III DC Zoology
20	Anargha V V	II DC Zoology
