8. Objective of the Program:

The primary objective of this program was to harness the creative talents of our NSS volunteers in crafting impactful digital posters and a video to commemorate World Wildlife Day. Through these digital creations, our aim was to raise widespread awareness about the pressing need for wildlife conservation and protection. We endeavored to inspire individuals to actively engage in conservation efforts. By sharing these digital posters and the video on various social media platforms, our volunteers aimed to reach a vast and diverse audience, motivating people to take concrete actions to safeguard wild animals and their habitats.

9. Detailed Description of the Event:

On the occasion of World Wildlife Day, our dedicated NSS volunteers embarked on a mission to create digital posters that championed the cause of saving wild animals. These visually striking posters served as visual narratives, conveying the importance of wildlife conservation. The posters were skillfully crafted and thoughtfully designed to capture the hearts and minds of viewers. Subsequently, our volunteers took to various social media platforms to share these digital posters, strategically disseminating the message of wildlife protection and conservation.

10. Outcome of the Event/Evaluation by Program Coordinator:

The "Digital Posters for Wildlife Conservation on World Wildlife Day" program exemplified the spirit of NSS and its commitment to making a positive impact on society and the environment. Volunteers could utilize the power of digital media to drive meaningful change and motivate individuals to actively participate in safeguarding our precious wildlife. The campaign managed to reach a broad and diverse audience, making people more aware of the urgent need to protect and conserve wild animals and their habitats.
