4. Date : July 7th, 2021

5. Number of participants: The participants include all the staff and students of the college

6. Venue: Online (YouTube)

7. Resource Person : Nil

8. Objective of the Program : By conducting these awareness programmes we try to aware the beneficiaries about the steps to be taken during any disasters.

9. Detailed description of the event:

The Red Cross society of the college takes initiative to give disaster management insights to the staff and students of the college, by providing various YouTube videos related to disaster management. We distributed a YouTube video with Sri. Muralee Thummarukudy, the UN Environment Program's chief of disaster risk reduction. Disaster management Awareness video-1 is shared to all the staff and students SNM College, Maliankara on June 7, 2021. <https://youtu.be/oLvBBi1Xs7Q>

10. Evaluation by Program Coordinator:

Kerala is one of the most vulnerable states during July and August months. It is very important to inform the staff and students about the various information related to how to manage ourselves and our family during any disasters. Various awareness videos are sent to students and staff WhatsApp groups. Disaster Management is the organization and management of resources and responsibilities for dealing with all humanitarian aspects of emergencies, in particular preparedness, response and recovery in order to lessen the impact of disasters. The Red Cross volunteers of SNM College, Maliankara took initiative to give awareness for all the staff and students of our College. We shared a YouTube video of Sri. Muralee Thummarukudy, Chief of Disaster Risk Reduction in the UN Environment Programme.
