7. **Resource Person/s** :Nil
8. **Objective of the Program**: To provide the invaluable gift of free drinking water to the residents of Moothakunnam, addressing their immediate thirst while raising awareness about the profound significance of water on the occasion of World Water Day.

9. Detailed Description of the Event:

On the 22nd of March 2021, in commemoration of World Water Day, NSS UNIT 47 undertook a benevolent initiative to supply free drinking water to the thirsty public in the Moothakunnam area. As part of this endeavour, special arrangements were made to provide curd milk to the local residents, offering them a refreshing respite from their thirst. This program extended its outreach beyond the boundaries of Moothakunnam, as water was also distributed to auto-rickshaw drivers, diligent road workers, eager schoolchildren and other individuals who crossed our path. Even the vigilant traffic police officers on duty received their share of refreshing hydration. The program was skilfully guided by our dedicated Program Officers, Sri. Vipin K. D and Dr. Resmi V. C, who shared insights with the volunteers about the profound significance of commemorating World Water Day and the imperative need for water conservation and responsible water use. In addition to the water distribution, an engaging photography competition was held on World Water Day.

10. Outcome of the Event/Evaluation by Program Coordinator:

The "Water Distribution Drive on World Water Day" proved to be a program that delivered tangible benefits to the community in Moothakunnam, while also achieving its awareness-raising objectives. The outcomes included:

The program successfully provided free drinking water to the residents of Moothakunnam, offering immediate relief to those battling thirst. Through the active participation of our

volunteers and the guidance of program officers, awareness about the significance of water and the importance of responsible water management was effectively disseminated. The programme helped showcased the spirit of NSS in serving the community and fostering awareness about critical issues. It emphasized the importance of water, not only as a life-sustaining resource but also as a symbol of compassion and community support.
