8. **Objective of the Program**: To create awareness among our NSS volunteers about the vital role that forests play in sustaining life on Earth and to encourage our volunteers to become advocates for forest conservation.

9. **Detailed Description of the Event**:

The "Essay Writing Competition on WORLD FOREST DAY" commenced with an enthusiastic group of 25 NSS volunteers gathering at in a classroom in the College on March 21, 2021. The program began with a brief introduction by our NSS Programme Officers, Dr. Resmi V C and Vipin K D, who emphasized the significance of World Forest Day and the need for active participation in raising awareness about forest conservation. They highlighted how forests are crucial for maintaining a balanced ecosystem, conserving biodiversity, and combating climate change. Following the introduction, the participants were given a set of essay topics related to World Forest Day and the importance of forests in our lives. The topics ranged from "The Role of Forests in Climate Change Mitigation" to "The Importance of Sustainable Forest Management." The volunteers were given ample time to research, brainstorm, and write their essays. After a productive and thought-provoking writing session, the essays were collected and evaluated by a panel of experienced faculty members from the college. The assessment process was based on content, creativity, and presentation.
