## Analysis of Feedback 2020-21

### Feedback of Teachers

The faculty's contributions are beneficial and help students acquire the necessary information. The courses were included in the curriculum in response to the faculty feedback that was gathered orally. The feedbacks from 88 teachers were collected in the current year to strengthen the quality of teaching-learning environment. The data is analyzed and reported as below

### **Analysis based on syllabi**

Q4. The requirements and evaluation criteria of the graduate course is clearly defined

More than 50 % of the teachers are not agree with the evaluation process in the syllabi.

Q5. The curriculum is relevant for employability and met student's professional requirements

Less than 50% are agreeing with the content of the syllabi which met professional requirements

### **Analysis based on Infrastructure**

Q6. Availability of resources (eg: library) is sufficient in your institution for curriculum enrichment

About 15% are not satisfied in the facilities at the institute. The subject based books should be included in the library. About 30% teachers are satisfied, but ensure more books in future

### **Suggestions**

- Promote research activities by giving more assistance from research committee.
- Strengthen discipline

### **Feedback Inclusive**

The content of the syllabi has changed and redesigned the curriculum in sight of the comments received from teachers.

Availability of facilities (library books, lab facility) doesn't fulfill the requirements based on the curriculum

Promote research related activities

Good functionality to strengthen discipline

### **Action Taken Report**

- Take necessary steps to inform about the curriculum draw backs in which the institution is affiliated.: **Done**
- Incorporate more books to the library based on the reference in the syllabi for each program: **Done**
- Research committee needs to work effectively and conduct at least one program/month: **Done**
- Necessary changes in the discipline rule at the institute: **Changed Accordingly**

## Analysis of Feedback 2020-21

### Feedback of Students

We have comments from the undergraduates and postgraduates that are currently enrolled. The students provided the following comments regarding the syllabus after the feedback form for the curriculum was used.

### **Overview**

Students felt that each course's goals were very clear, and they could manage their workload. The majority of students felt optimistic about their ability to advance in this course. They are dissatisfied with facilities (toilets) provided at the college. They need more facilities for labs and classrooms.

### **Analysis based on syllabi**

More than 50% students are agreeing with the five questions mentioned below and conclude that the current syllabus is fulfilling their requirement.

The course curriculum is fulfilling your expectation
The specified contact hours stated in syllabus is sufficient to complete the coverage of the content
Sufficient reference materials and books for the topics are mentioned in the syllabus
Efforts were taken by the institution/teachers to improve your skills during the course
The curriculum is relevant for employability and met your professional requirements

### **Analysis based on Infrastructure**

About 10% of the total students are satisfied with toilet facility provided by the institute. Remaining are marked poor as mention. Building/classrooms provided by the institute are not easily accessible for students. About 62% say that library facility and number of books required for curriculum is quite well. Students are marked as there is no sufficient numbers of classrooms for disabled persons.

Hostel facility provided by the institution
Toilets/washrooms are properly cleaned and maintained
The buildings/classrooms are accessible to disabled persons

The library has sufficient number of books to meet your requirement

### **Suggestions**

Proper waste management mechanism is not there

With the current syllabus college should teach new modern world skills to students and teachers

The college must collaborate with companies to provide internships, jobs and to develop entrepreneurial mindset, skillsets in students.

### **Feedback Inclusive**

Syllabi meet their requirement

Current trends in the syllabi

Lack of lab and class room facility should be readdressed

Proper cleaning of toilets

### **Action Taken Report**

- Take necessary inputs to inform about the curriculum has to incorporate recent trends in which the institution is affiliated.: **Done**
- Take necessary inputs to facilitate toilets by the institution: **: Done**
- Add more classrooms and refurnished labs in the institution: **Done**
- Provide ramp facility in most of the building blocks in the institution: **Done**

## Feedback of Alumni

The college is aware of the recommendations from each Alumni that have been shared through feedback. These valuable inputs will be great use to us in improving the quality of our academic programs and to enhance the credibility of the institute.

## **Overview**

About 82.5% of respondents believe that the college has helped them improve personally and professionally. The reports underlined that alumni satisfaction with every aspect of their education, including academic experiences and student experiences is pretty good.

## **Analysis for academics**

About 83.5 % of them feel SNM College as one of the best institution in district. The 81.2% are marked as college campus is green and ecofriendly. The efforts taken by the institution for academic activities is not below the average of 60 percent. They are dissatisfied with library and lab facility provided by the institution. About 76 percent are marked for Q7 and Q8 as “disagree”.

SNM college organizes various types of activities for the overall development of the student
The campus is green and eco-friendly
Teachers are approachable for guiding future career opportunities
Sufficient reference materials and books for the topics are mentioned in the syllabus
Efforts were taken by the institution/teachers to improve your skills during the course
Functionality of various clubs in your institution
Availability of resources (eg: library, lab facility) is sufficient in the institution for curriculum enrichment
Sufficient number of Classroom and Lab facilities are provided by the institution

## **Suggestions**

Improve library, text books of newest editions are needed, more books according to syllabus are needed.

Laboratory facilities should be improved.

To ensure proper functioning in college office administration's and office facilities

Cultural activities in the campus should be encouraged

### **Feedback Inclusive**

Syllabi needs more reference for the contents

Lack of lab and class room facility should be readdressed

Curricular and extracurricular activities to be conducted

### **Action Taken Report**

- Take necessary inputs to inform about the curriculum has to incorporate more references in which the institution is affiliated: **Done**
- Add more classrooms and refurnished labs in the institution: **Done**
- Take necessary actions and activities for various clubs. More activities and programs is to be added in the academic action plan in future: **Added accordingly in action plan**

## Feedback of Employer

### Overview

Employers commended the thorough and demanding academic training provided by the syllabus is required as well as the college should enable the students to become self-assured and devoted workers.

### Analysis based on syllabi

More than 50 percent of the employers are disagreeing with the five questions mentioned below except Q1 and conclude that the current syllabus is not fulfilling the job requirement.

How do you rate the relevance of the courses in the curriculum?
How do you rate the adequacy of curriculum?
The course objectives are well defined and the modules are logically structured.
Curriculum reflects current trends and practices in the respective discipline
The course curriculum is relevant for employability and met professional requirements

### Suggestions

Motivates students to complement traditional learning with extracurricular and soft skills via syllabus

Provides access to career oriented courses to prepare the students for the emerging needs of the field.

Syllabus does not met professional requirement

More attention towards higher education

### Feedback Inclusive

The syllabus does not guarantee that students' academic knowledge will be well-rounded and enriched.

Shared concerns, the relevant authority for consideration and appropriate action

Current trends should be included in the syllabus

Take measures for encouraging students for doing higher studies

## Action Taken Report

- Take necessary inputs to inform about the curriculum has to incorporate recent trends, soft skill programs in which the institution is affiliated **Done**
- Institution arranged career oriented seminars, workshops etc **Done**
- Incorporate more activities under career and placement cell at the institute **Done**
- Teachers should incorporate in teacher's diary for student's field of interest. **Done**
- Teacher/mentor should give proper guidance towards higher education and employment. : **Done**
