**7. Resource Person/s :** Nil

**8. Objective of the Program:** The main aim of the plastic-free campus and paper bag making program was to promote a campus environment without plastic waste and to encourage the use of eco-friendly alternatives. The collector's @ college group aimed to raise awareness about the harmful effects of plastic and highlight the importance of reducing plastic usage by making and using paper bags.

**9. Detailed description of the event:** The collector's @ college group organized a special event focused on creating a plastic-free campus. We came together to learn about the negative impact of plastic on the environment and our health. During the event, we participated in making paper bags as a sustainable alternative to plastic bags. Moreover, we extended our efforts by distributing these paper bags to nearby stalls . This step aimed to encourage local businesses to use eco-friendly packaging and contribute to the larger goal of reducing plastic usage.

**10. Outcome of the event/Evaluation by Program Coordinator .** This program was an eye-opener for all of us. We realized the significance of minimizing plastic use and the positive impact it has on our surroundings. The hands-on experience of making paper bags taught us a practical way to contribute to a plastic-free campus..
