8. Objective of the Program : Addressing the importance of resilience among the staff and students during the pandemic time by offering mental health programmes, and stress management techniques.

9. Detailed description of the event:

The Red Cross Society organised various Lockdown competitions in June, 2021. We are the Red Cross Volunteers of SNM College, Maliankara took initiative to organize a LIVE programme called Guess the Advertisement LIVE competition to make the staff and students more engaged, creative and artistic during this Covid-19 lockdown period. As all are currently under the lockdown and during this pandemic doesn't mean that all have to stop engaging ourselves in creative activities. The aim of these programmes is to make the staff and students more productive and resilient to any situation. The Coordinator Ms. Saipriya Sudarsan interacted with the winners and other students. All the viewers and participants get to know each other and they are able to know how productively each one is spending their Covid lockdown period.

10. Evaluation by Program Coordinator: Resilience is the ability to 'bounce back'. It is adapting to hardships and setbacks in life. By conducting these live programmes both staff and students can relieve their stress level. It gave them a platform to exhibit their talents and can enjoy during this pandemic time. The programme was well structured and conducted by the Red Cross volunteers. Around 45 students and 3 teachers actively participated in the LIVE competition- Guess The Ad.
