

S.N.M COLLEGE MALIANKARA
(Affiliated to Mahatma Gandhi University, Kottayam)

- 1. Title of the program :** Helping to Implement COVID PROTOCOL in the college camps
- 2. Name of coordinator -** Dr V C Resmi & Vipin K D
- 3. Organizing department/cell-** NSS UNIT 47
- 4. Date :** January 2021
- 5. Number of participants:** 50
- 6. Venue:** SNM College Malianakara
- 7. Resource Person/s :**Nil
- 8. Objective of the Program:** Provide all the support to the Institutional authority to avoid spreading of corona virus among students and teachers
- 9. Detailed description of the event:** When the college reopened to conduct normal offline classes in the month of January 2021, NSS volunteers of SNM College Maliankara, were assigned the task of checking whether the college students are following the COVID protocols in the campus. Students were supposed to maintain social distancing, use face mask properly, use sanitizer, wash hands at the entrance, etc and thus remain safe. The objective of COVID-19 protocols was to reduce the spread of the coronavirus and minimize its impact on public health. Implementation of these protocols in the campus aimed to protect individuals from infected individuals and to avoid transmitting virus, especially to those who are vulnerable or at high risk of severe illness.

Every day before the arrival of other students, all the volunteers came to the college and made sure that the students were adhering to the COVID protocols. It was a great effort by the NSS volunteers, as they ensured that students were washing their hands and maintaining social distance. The volunteers also checked if everyone was wearing masks. NSS program officers, Dr. Resmi V. C and Sri. Vipin K. D, guided the students in this work. Both of them provided instructions that must be followed on campus during the COVID-19 pandemic
- 10. Outcome of the program:** The program led by the NSS volunteers resulted in a safer and more responsible campus environment where COVID-19 protocols are strictly followed. Their dedication and vigilance played a significant role in mitigating the spread of the virus and

protecting the health and well-being of the college community as well as numerous households from where these students and teachers are coming.
