GENDER EQUALITY FORUM INAUGURATION 2019-20

Dear Madam/Sir

SNM College Maliankara was inaugurated in 1964 by Sri.Sahodaran Ayyappan,an ardent disciple of SREE NARAYANA GURU.The college now offer 13 UG courses and 8 PG courses.As one of the leading institutions of higher education in the state, SNM College took initiative in the upliftment of socially and educationally backward sections of the society. It is also prospering in academic and extracurricular activities.

Gender equality means that women and men and girls and boys enjoy the same rights, resources, opportunities and protection. Treating women equal to men and giving her recognition is an indication of a civilized society. However in India one of the most alarming fact is that gender inequality is at its heights. Most of the recent incidents related to violence against women reveals that we, society fails to identify her as humans.women is still facing discrimination in social, political and economic spheres of life.

Even-though the enrollment of girls in campus are high, their economic participation in other areas of life are not quite remarkable. It is the responsibility of each and every one in the society to ensure and maintain gender equality for the economic development of the nations. Maintaining gender equality in areas of health, education,job and involvement in administrative and monetary decision-making practices, will ultimately lead to overall economic sustainability. Women should be empowered to break all the boundaries and limitations set by the family,society and the world to attain their goals independently.The formation of gender equality forum highlights the importance of creating a campus that is safe and inclusive for students of all gender identities.

All are cordially invited for the event
