GENDER EQUALITY FORUM INAUGURATION – 2020-21

Dear Madam/ Sir

GENDER EQUALITY FORUM, S N M College, Maliankara is conducting a virtual inauguration of Gender Equality Forum for the academic year 2020-21 followed by a webinar on 'Gender Justice: myth or reality'.

The vision of Gender Equality Forum is to make the students aware of the various ways in which gender is used to discriminate against people, to police their behavior and expression, and to limit and control their possibilities in life. Its mission is to equip the youth to raise their voice against such social evils.

Gender discrimination occurs when someone is denied dignity and access to education and employment. The recognition that every individual has the fundamental right to achieve the fullest potential and growth is inevitable for the development of a society. After all, human beings are valuable asset of any country who contribute to the growth and welfare of their nation and the society.

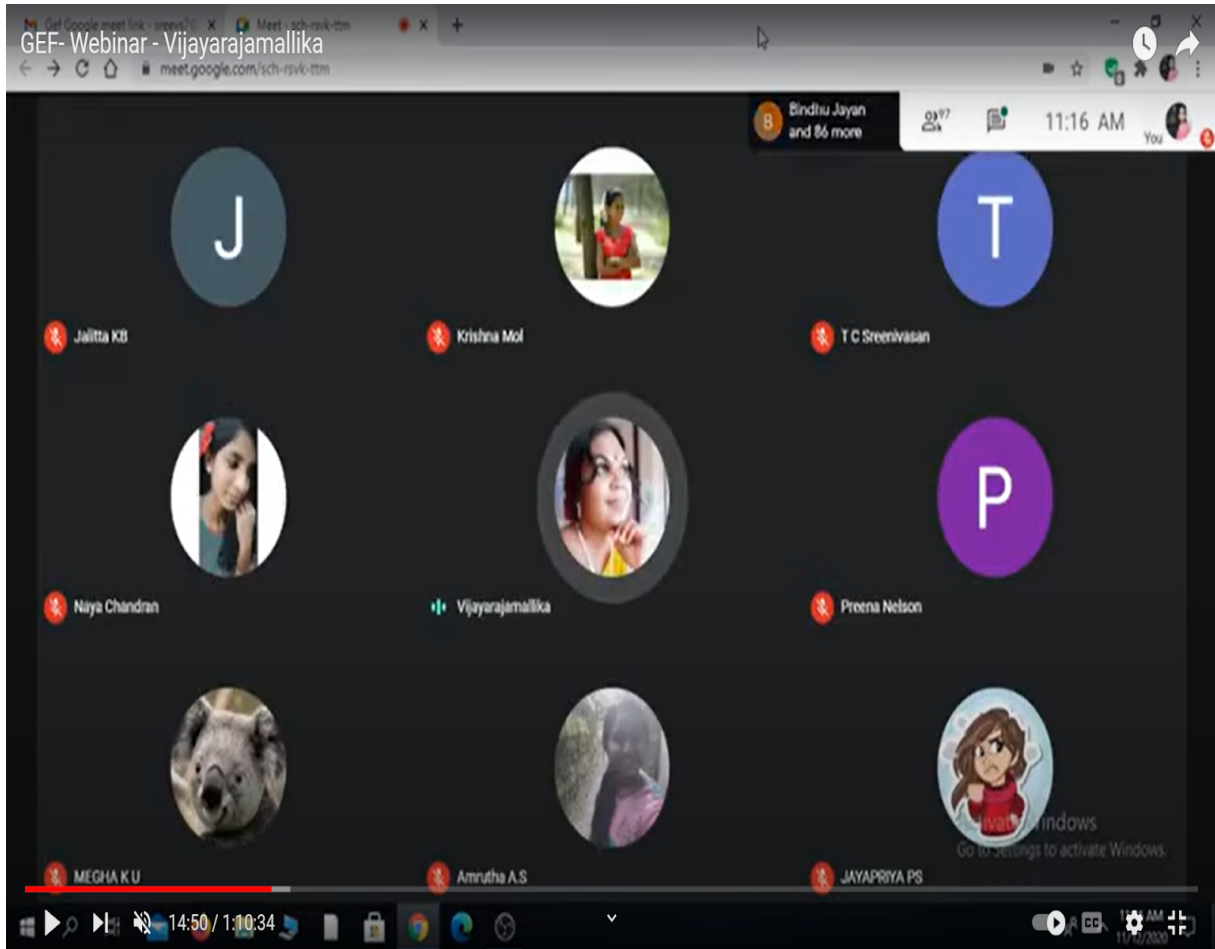

In spite of the constitutional provision, in the contemporary patriarchic society, discrimination against women as well as trans-genders is still prevalent. As a result of this approach, such persons are socially excluded from the mainstream of the society. The formation of gender equality forum is focused on moulding a generation who respects the dignity of gender identities.

All are cordially invited to this event.
