Dear Madam,

As a part of research project in School of Biotechnology, Amrita Vishwa Vidyapeetham, our team is working on sea algae collected from Kollam. We are closely collaborating with Dr.(Capt.) C M Sreejit and Dr. M G Sanilkumar (Assistant Professor) from your esteemed Institution in the taxonomic identification of plant samples. We would like to utilize their expertise for sea algae identification as well. I would request you to allow us to submit the samples and obtain the required information from your side.

*Thank you for your continued support and consideration.*

Best Regards,

Dr. Bipin Nair  
Dean
