8. **Objective of the Program:** Efforts to generate awareness among people about the critical role masks play in the fight against the pandemic have been instrumental in promoting public health and safety.

9. **Detailed description of the event:**

On behalf of the Village Adoption Programme for 2021-2022, the Department of Zoology organized various activities, one of which was the distribution of 100 N95 masks. Out of these, 50 masks were allocated to Ward I, and another 50 masks were allocated to Ward II.

The Head of the Department (HoD) and the Coordinator of the Village Adoption Programme, along with other faculty members from the Department of Zoology, presented 50 masks to Ward I's representative, Shahmol.

The remaining 50 masks were presented to Mr. Unnikrishnan, the representative for Ward II, by Dr. Jitha T.H, the Principal, and other faculty members of the Department of Zoology, on March 31, 2022.

10. **Outcome of the event/Evaluation by Program Coordinator:** Public Awareness: Mask distribution campaigns often raise awareness about the importance of mask usage, hand hygiene, and other preventive measures, leading to better adherence to safety protocols.
