8. Objective of the Program :

The objective of the talk was to create awareness among the students about Human Rights and their relevance in contemporary society

9. Detailed description of the event:

A talk on Human Rights was jointly organized by the Department of Mathematics, Zoology and Chemistry for the 5th semester UG students on 12th October 2022. The program took place at the Seminar hall. The event commenced at 11:00 am with a prayer song

The talk was delivered by Adv. Bhuvanachandran Nair, who served as the resource person for the session. He discussed various aspects of Human Rights, including Fundamental Rights, their meaning, concept, and objectives. He also focused on the rights of children and women, shedding light on their significance and the challenges they face. The talk provided valuable information to the students, enhancing their understanding of Human Rights and their importance in society.

By inviting a knowledgeable resource person like Adv. Bhuvanachandran, the department aimed to provide students with insights and information on the topic. The talk served as a platform for students to learn and engage in discussions related to Human Rights

10. Outcome of the event/Evaluation by Program Coordinator:

The informative presentation equipped the students with knowledge about Fundamental Rights and their implications. Additionally, the emphasis on the rights of children and women helped students recognize the importance of promoting equality and justice for all members of society. The session sparked meaningful discussions and raised awareness about the significance of Human Rights.

The program concluded with a vote of thanks, expressing gratitude to the resource person for his valuable insights and to all participants for their active involvement. The event ended at 1:30 pm,

having successfully achieved its objectives of educating and creating awareness about Human rights.

Overall, the talk on Human Rights organized was a fruitful initiative. It provided students with a platform to learn and discuss crucial topics related to Human Rights. The program served as a significant step towards fostering a sense of social responsibility and promoting Human Rights awareness among the participating students.
