

S.N.M COLLEGE MALIANKARA

(Affiliated to Mahatma Gandhi University,
Kottayam)

1. Title of the program : Launch of Career news bulletin "**Turning Point,**"

2. Name of the Coordinator/s : Dr. Neelima C A

3. Organizing Department/Cell : Department of Mathematics

4. Date : 30th September 2022

5. Number of participants: 8

6. Venue: Principal's room

7. Resource Person/s : Nil

8. Objective of the Program :

To provide students with information on career opportunities and higher education options, assisting them in making informed decisions about their future

To empower students by providing them with a comprehensive resource for their career development.

9. Detailed description of the event:

The Department of Mathematics and Statistics at SNM College Maliankara successfully launched their monthly career news bulletin, "Turning Point," on 30th September 2022. This bulletin aims to provide students with valuable information regarding career opportunities and higher education prospects. The preparation of the news bulletin was a collective effort, with teachers and students from the Department of Mathematics and Statistics working together to ensure its creation.

The inaugural ceremony, graced by the presence of Dr. Jitha T. H, the Principal of SNM College Maliankara, commenced with the release of the hard copy of the first edition of the "Turning Point" news bulletin. Dr. U. R. Krishnakumar, in charge of career guidance and Assistant Professor in the Department of Commerce, presented the first hard copy to Dr. Jitha T. H. Teachers from different departments were present at the ceremony, including Dr. Neelima C. A, Dr. Sreejamol P. R, Smt. Rejee Ittiyera from the Department of Mathematics, and Smt. Theertha Joy from the Department of Commerce. Additionally, students from the Department of Mathematics also attended the event, making it a memorable occasion

During the inauguration, Dr. Neelima C. A provided a detailed explanation of the objectives and details of the monthly news bulletin program. Dr. U. R. Krishnakumar expressed his well wishes for the success of the program, recognizing its potential to guide students towards promising career paths. Dr. Jitha T. H delivered the inaugural talk, emphasizing the importance of the "Turning Point" news bulletin in providing students with valuable resources for their academic

and professional development.

As part of ensuring wide accessibility, soft copies of the first publication were distributed to each department group, ensuring that every student had access to the wealth of information contained within the bulletin. Furthermore, hard copies of the news bulletin were prominently displayed on the notice boards of each department, making it easily accessible to all students

10. Outcome of the event/Evaluation by Program Coordinator:

The outcome of the inaugural ceremony and distribution of the news bulletin was the successful launch of a valuable resource that will undoubtedly benefit students. By disseminating information on career opportunities and higher education options, the "Turning Point" news bulletin equips students with the necessary knowledge to navigate their academic and professional journeys effectively.

Overall, the launch of the "Turning Point" monthly news bulletin marks a commendable initiative by the Department of Mathematics and Statistics at SNM College Maliankara. By actively involving both faculty members and students, the department has created a platform that will guide and inspire students towards a successful future.
