The volunteers gave the topic ‘Covid resilience’ for the participants. As all are currently under the lockdown and during this pandemic doesn't mean that all have to stop engaging ourselves in creative activities. The aim of these programmes is to make the staff and students more productive and resilient to any situation. The Coordinator Ms. Saipriya Sudarsan interacted with the winners and other students. All the viewers and participants get to know each other and they are able to know how productively each one is spending their Covid lockdown period.
